

CLASSROOM DUES FORM

Classroom dues are contributions from families that become dedicated funds that go to our parent organization, "FOCUS" for specific classroom-based projects and events for the students. A little contribution from each family will go much further than from a few!

Paying all-year dues eliminates the need for the parent group to come back and ask parents again and again for small, separate contributions for teacher gifts and classroom projects throughout the year!

The "dues" include teacher & staff appreciation gifts that are presented at the holiday break, teacher appreciation week, and end of school; the classroom artwork project for Gala art supply fees, the Beginning of Year Welcome Back to School Swim Party; the end of year swim party.

Our suggested amount: \$45.00 per family.

Thank you all, and wishing you and your students a wonderful year at Crossroads!

The Focus Board

Please accept my generous Classroom dues in the amount of \$ _____
(\$45.00 suggested)

Please check your preferred method of payment below:

Check in the amount of \$ _____
If paying by check please indicate "FOCUS" in the memo area
